

## LEVELS OF PASTORAL CARE RESPONSIBILITIES

**If a person is in imminent or life-threatening danger call emergency 000 immediately**

### Hillsong Church Connect Group Leader

A connect leader gets to do a lot of the nice things when it comes to Pastoral Care such as:

- 1) Provides or organises meals, offers to clean a home, assistance with practical things that help during a crisis or tough times.
- 2) Pastorally caring is through things like saving seats, being a consistent friendly face, celebrating milestones, encouraging people in their daily devotion to Christ and moving forward in their relationship with God and involvement in church. E.g., Water Baptism, Baptism in the Holy Spirit, growing spiritually, identifying spiritual gifts, and joining a team.
- 3) Any child related concerns contact Safe Church immediately (02 8853 5352 or [safechurch@hillsong.com](mailto:safechurch@hillsong.com))
- 4) With permission let the PC Oversight at your campus know of both good and challenging matters such as the below, via this link <http://hil.so/connectwithpc>:
  - a) Engagement
  - b) Pregnancy / Birth of babies
  - c) Crisis
  - d) Health Diagnosis / Illness
  - e) Financial Difficulty
